

Balatas para freno de disco

Tabla de aplicaciones 2021

**BOSCH**

Innovación para tu vida

Bosch, líder mundial en frenos

Fabricadas 100% por Bosch bajo estándares alemanes de control. Su diseño y características de fricción satisfacen las necesidades de reemplazo de Equipo Original (EO).

Factores clave de seguridad Bosch:

- **Coeficiente de fricción.** Su estabilidad y soporte ante las exigencias de calor determinan la exigencia y seguridad del frenado.
- **Sensores de desgaste, ranuras y lámina anti-ruido** que controlan la vibración y el ruido.
- **Comodidad.** Frenado suave sin sacrificar desempeño y materiales con baja emisión de polvo.

Asegura una correcta instalación utilizando los complementos disponibles en toda la cobertura de balatas para freno de disco Bosch:

- Cápsula de lubricante base molibdeno para las guías, shim y herrajería.
- Papel craft que absorbe la humedad y evita la contaminación con grasa durante la instalación.
